## ACCOMMODATION

Midtown Apartments is a 19th-century building which has been fully restored and transformed into a set of 30 apartments ranging in size from 45 to 106 m<sup>2</sup>, with 1, 2 or 3 rooms and capacity for 2 to 8 people. With a functional design and retro look, the building maintains the essence of its past thanks to the use of materials such as brick, iron and wood. This gives the fully equipped accommodation a great deal of character which combines freshness and elegance. The perfect place to experience and discover the city in a different way.

All apartments have a bedroom, fully equipped kitchen and a cosy living room in which to relax and spend time with companions.

Some have a balcony and terrace and on the "main" floor, known as the noble floor of the old building, some of the apartments feature high ceilings and large spaces giving them a stately air.

## FEATURES AND FACILITIES

All apartments are equipped with: induction hob, convection oven-microwave, dishwasher, fridge, washer-dryer, iron, ironing board, coffee machine, kettle, toaster, crockery, linen, hair dryer and bathroom amenities. Room-specific air conditioning. Smart TV in living room and in all bedrooms. Speakers with Bluetooth connection. For the little ones, Midtown Apartments offers cots, bathtubs and crockery on request.
